EPBC 2011/5829, Googong Township Urban Development and Associated Infrastructure, NSW: revised Pink-tailed Worm-lizard Protection and Mgmt. Plan.

Dear Mr Harris

Thank you for submitting the above revised plan for approval in accordance with the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

Officers of the Department have advised me on the revised plan and on the requirements of the EPBC Act conditions of approval for this project. On this basis, and as a delegate of the Minister for the Environment, I have decided to approve the *Googong Township Pink-tailed Worm-lizard Protection and Management Plan, Version 6*, dated October 2019. The approved revised plan must now be implemented in place of the previous approved plan.

Approval condition 8 for this project requires that if you wish to carry out the activity otherwise than in accordance with the approved plan that you must submit for the Minister's approval a revised version of the plan, and that the varied activity must not commence until the revised plan is approved by the Minister (or delegate).

Should you require any further information please contact Vaughn Cox on (02) 6274 2005 or postapproval@environment.gov.au.

Yours sincerely
