

Walk-through transects

- Recycled Water Plant
- Sewer Treatment Plant 1

Random meander areas

- Recycled Water Plant (250m radius)
- Sewer Treatment Plant 1 (250m radius)
- Sewer Treatment Plant 2 (100m radius)

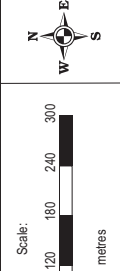

Development areas

- Sewer Treatment Plant locations
- Approximate corridor of the rising main
- Site boundary
- Development footprint

Topography

- Primary drainage
- 5m contour
