Dear Mr Harris

Subject: Googong Township Integrated Water Cycle Project – Modification 3 amendment to the Pink-tailed Worm-lizard Conservation Area and Pink-Tailed Worm-Lizard Protection and Management Plan (CoA D9)

I refer to your correspondence dated 28 August 2014 lodging a modification request for changes to the Pink-tailed Worm-lizard conservation area boundary and submission of Version 5 of the *Googong Township Pink-tailed Worm-lizard Protection and Management Plan* (Biosis, July 2014) dated 12 August 2014.

I can advise that the Modification 3 request has been approved by the Acting Secretary on 27 October 2014 subject to conditions under Part 3A of the *Environmental Planning and Assessment Act 1979*. A copy of the approval is enclosed for your records and the Secretary's Environmental Assessment Report is available on the Department's website.

The Department has reviewed the revised *Googong Township Pink-tailed Worm-lizard Protection and Management Plan* and considers that it meets the requirements of condition D9 and incorporates the changes to the boundary of the Pink-tailed Worm-lizard conservation area as approved by Modification 3.

Should you have any further enquiries about this matter, please contact Belinda Scott, Senior Planning Officer at the Department of Planning and Environment on (02) 9228 6472 or belinda.scott@planning.nsw.gov.au.

Yours sincerely

Karen Jones
Director, Infrastructure Projects
