The inaugural Googfest is almost here – and with this tasty line up of stars, it's a veritable feast of music!

Since winning X Factor in 2013, Dami Im has gone from strength to strength, releasing two top-twenty singles (including the number one single 'Alive') and two top ten albums, building an adoring legion of fans along the way. And now you can see Dami perform live at Googfest!

So bring the family, a picnic and rug, and settle in to enjoy this evening of free live music under the stars in picturesque Beltana Park. You can also grab a tasty bite to eat from the range of food stalls available on the night.

Toilets will be available in Beltana Park. Club Googong will be closed for the event.
