Flagstone's free Moonlight Cinema is back so get ready for a trolling good time as some of the happiest little pink people in history take to the big screen.

From the creators of Shrek, the animated movie Trolls is a smart, funny and irreverent comedy about the search for happiness and just how far some will go to get it.

Rug up in your winter woollies, grab a blanket and cushions, and head to the Flagstone State School Oval. There will be entertainment for everyone plus a sausage sizzle and other delicious snacks for sale.

The fun starts at 4.30pm, with games for the kids and cartoons at 5pm, before the curtain goes up on the movie feature at 5:30pm.
