

LETTER OF OFFER PROCESS

Due to popular demand, we only have three lots remaining to sell in our final release at The Landing Strathpine. Because we would like to give all of our customers an equal opportunity to buy one of the final lots, we have introduced a “Letter of Offer” campaign.

HOW IT WORKS:

STEP 1

Select your preferred lot* and submit your completed Letter of Offer document to thelanding.salesoffer@peet.com.au by no later than Wednesday 7th April 2021.

STEP 2

Peet will review all offers after Wednesday April 7th 2021 taking into consideration the following;

- » Purchase price
- » Deposit amount
- » Proposed settlement date
- » Any contract conditions (e.g. financial)

STEP 3

Once all offers have been reviewed, Peet will advise the successful customer for each lot that their offer has been accepted. Peet may accept any offer in its discretion and reserves the right not to accept any offers submitted to it.

STEP 4

The successful customers must proceed to contract within 24 hours of written acceptance of the offer by Peet. This contract will be prepared in accordance with the Letter of Offer that has been accepted.

Please ensure you read and understand the Terms and Conditions associated with this process and familiarise yourself with the Letter of Offer document. Our sales representative Luke Olman is available to assist with any information regarding any of the lots available and the offer process. So please contact Luke on:

M. 0439 395 533

E. Luke.Olman@peet.com.au

*Prospective purchasers are welcome to complete Letters of Offer for more than one lot – this must be accompanied by written confirmation of their order of preference of the lots. This allows more opportunity for customers should they be unsuccessful on any one particular lot. Should the prospective purchaser be successful on one lot then of course any subsequent offers will be disregarded, unless of course the purchaser is seeking to purchase more than one lot.
