

Lifestyles, built around you.

Woodville Rd is master planned to let you experience, enjoy, and immerse into a life that fulfills you. And on more levels than one.

Stylish residences that intertwine with the landscape. But also designed to reflect Woodville's historical architecture with a cool, contemporary twist.

Your choice of home is styled around you, too. Offering two and three storey terrace homes, with an array of home facades and designs, or you can choose maintenance free apartment living.

Woodville Rd promises a place you will truly love having life, styled around you.
