

## GOLDEN BAY

## Crowds turn out for annual Day at the Bay

The Golden Bay Foreshore was a hype of activity with more than 300 people turning out in perfect weather to enjoy the second Day at the Bay on Saturday 7 April.

The annual event, which celebrates the youth within the community, is focused on teaching skills and techniques for life, whilst engaging kids and young adults in positive community activities.

This year there was a host of family fun events, including tie-dye workshops and the chance to paint a car - which both proved to be favourites amongst the kids!

Some faced their fear of heights and took to the high ropes course whilst others learnt how to service and look after their bikes - thanks to the Bike Doctor.

There was outstanding support from local suppliers and businesses including the Singleton Volunteer Bush Fire Brigade, who invited community members to test out the fire sirens and fire hose. Along with the City of Rockingham, the fire brigade also had plenty of helpful information and tips about community safety and

(L-R) The Bike Doctor team; Paige Rossi, Jimmy Fry and Jack Fry blitz the high ropes course; Thomas and James Wright show off their tie dye skills; and Paulina, Indigo and Jacqui having fun getting messy!

how to be prepared in the event of an emergency. Coastcare was also on hand, demonstrating how to plant successful, sustainable gardens in Golden Bay with local natives.

Youth mental health foundation, Headspace attracted a crowd with their DJ spinning tracks, and a local face painter also had the kids lining up.

A sausage sizzle provided by Bethany House of Blessing kept guests from going hungry and local suppliers Monkey Beanz and That Little Van provided coffee and shaved ice treats.

## HAVE YOUR SAY!

Come along to the Pizza and Putt-Putt night

Grab your family, friends and neighbours and come along to the Pizza and Putt-Putt Night - a special event for Golden Bay residents!

Make your own pizzas at the on-site pizza vans and enjoy the free games and mini-golf.

You'll also be amongst the first to see the concept plans for the Landscaped Protection Area and public open space in Stage 5 of the Golden Bay development.

We're keen to have your feedback, so attendees will be given the opportunity to look over the two design options and be able to vote anonymously on the night for their preferred plan.

Residents and guests will also be able to provide more comprehensive written feedback on the night or later online if they wish - plus there are great prizes to be won!

For those unable to attend the evening, there will be a short online survey (live from 31 May to 15 June) to ensure that all have the chance to comment.

The link to the survey is [surveymonkey.com/r/goldenbay-landprotectionarea](https://surveymonkey.com/r/goldenbay-landprotectionarea)

A member of the Golden Bay development team will be on hand to provide information and answer any questions that you may have.

Don't miss this fun and informative community event, taking place on Thursday 31 May from 5pm to 7pm at Golden Bay Primary School, Thundelarra Drive (undercroft area).

See the back page of this newsletter for all the details.

# Development update

## Welcome to the autumn edition of the newsletter!

There's been some steady progress around the estate over the last few months.

The new Golden Bay entry statement is now complete and we have been conducting some landscaping and streetscape beautification works around the estate.

With the progression of the eastern boundary retaining wall framing the entry to the estate, the adjoining Stage 2I civil works have now commenced. The first release of 11 new lots from this stage offer a wide variety of product with larger, more traditional-style blocks that will appeal to growing families.

We are very excited to unveil the two design concepts for the Landscape Protection Area and public open space in Stage 5 at a special community event on Thursday 31 May.

We hope to see you all at the Pizza and Putt-Putt night, where these plans will be unveiled for the first time and you will have the opportunity to tell us what you think.

We are keen to receive your feedback on these concepts before we move forward to the final design and approval phases.

We look forward to seeing you there.

In the meantime, if you have any questions or anything to report in terms of maintenance around the estate you can contact us via the Peet Community Information Line at [community@peet.com.au](mailto:community@peet.com.au) or 1800 819 912.

# Finding Dory movie night a hit!

## Local families flocked to Colour Block Park for a free movie night adventure with Dory, Nemo and Marlin as they searched for Dory's long-lost parents.

The crowd of 200 relaxed on picnic rugs and beanbags and enjoyed delicious curries, shaved ice treats and coffee from the on-site food vans.

Giant lawn games were a hit with the kids along with face painting and an Easter egg hunt to celebrate the Easter long weekend.

It was another great community night at Golden Bay. Stay tuned for more events in the coming months!

## WHAT'S ON

### Peppa Pig's Surprise

Peppa Pig, George and their friends are back in Australia in a brand new live stage show Peppa Pig's Surprise.

Where: Bortolo Park, Murdoch Drive, Mandurah

Who: Over 18s only,  
teams of 6-8 people

Cost: \$80 per table

More information: [facebook.com/events](https://facebook.com/events)

# Meet the Colemans

– our new screen stars loving life by the coast!

As soon as they drove into Golden Bay, the Colemans knew they had found their new home.

That was more than two years ago and Jarrod and Joanne, along with their children Dakota (9) and Tyler (8), have not looked back.

“We love the coast. We have always tried to live as close to the coast as we can. There was just something about Golden Bay when we drove in. You could hear the waves crashing. You could smell that fresh air and the saltiness. It’s just beautiful,” Joanne said.

Jarrold said that a typical weekend is going down to the beach fishing in the morning and then heading to the parks in the afternoon – having fun. “We always finish up watching the sunset at the beach in the evening.”

The family starred in a recent cinema advertisement which screened at Mandurah Hoyts, Murdoch and

Burswood Cinemas as well as a video testimonial on the Golden Bay website at [peet.com.au/perth-and-wa/golden-bay](http://peet.com.au/perth-and-wa/golden-bay)

The Colemans also really enjoy being part of Golden Bay community life.

“We’ve been involved in the foreshore plantings. Often there are barbeques and movie nights down at the foreshore. They are usually really casual nights with a whole bunch of friends, parents and kids from school,” Joanne said.

“We are very excited about the new foreshore park at Golden Bay and going down there on a Summer’s night. Packing our barbeques and sitting down there, watching the sunset with the kids running around. There is going to be a BMX track there as well, so the kids will be able to get right into that. It’s going to be another place to spend family time, build new friendships and really be part of the community,” she said.

## DOG BEACH SURVEY!

The City of Rockingham is conducting a survey of residents to determine opinion regarding the adequacy of the number of dog friendly beaches in the Rockingham region and would welcome input from the Golden Bay community!

So, have your say by visiting [rockingham.wa.gov.au/Our-city/Share-your-thoughts/Dog-Beaches-Survey](http://rockingham.wa.gov.au/Our-city/Share-your-thoughts/Dog-Beaches-Survey) and completing the survey.
