While paddlers, kayakers and motor boat racers take on the mighty Avon Descent, Movidia Estate is excited to once again be partnering with the City of Swan to deliver the Avon Descent Festival on Sunday 4 August.

Positioned on the water's edge at the iconic Lilac Hill Park in Caversham, it's the prime spot to cheer on competitors as they speed on by!

Off the water, this year's festival program is the biggest yet, with a bumper program of free fun for the whole family – from vintage fair rides, ninja challenges, interactive games, markets, musicians, dancers, food trucks and much more!

Arrive early, enjoy live entertainment on the Movidia Estate Main Stage – where there will also be large digital screens to make sure you don't miss the race action – explore the Perth Airport Fun Zone, wander through The Vintage Collective Markets and when it's time for a chill out, check in to the Peet Avon Ridge Retreat for a slice of serenity and a free massage.

Free shuttle buses will run all day from Midland Gate and the Guildford Train Station and more details about the event can be found on the [City of Swan Facebook](#) page.

# Philippine Independence Day Ball

With a growing Filipino community at Movida Estate we were pleased to be able to offer the chance to celebrate the 121st Philippine Independence Day, with a competition to win two VIP tickets to the Filipino Australian Club of Perth Inc.'s Independence Day Ball at Crown!

Darlene Phillips was delighted to secure tickets to the ball, and enjoyed the night of dinner, dance, cultural presentations, live music by Darren Reid & the Soul City Groove and more!

"We had an amazing time," said Darlene. "The food was amazing, the lovely people at our table were warm and inviting, and the music and entertainment were fantastic. Thank you for the opportunity to attend and thank you Movida Estate and Peet."

## Midvale Tigers Training boost

Movida Estate is excited to be continuing its partnership with the mighty Midvale Tigers – this year providing funds to purchase new bibs and footballs for team training sessions.

This is the third year in a row the Midvale Junior Football Club has received support through the Movida Community Partnership Program, with previous funding supporting initiatives such as the All Abilities training clinic.

"At Peet, we know that community sport often relies heavily on volunteers and fundraising so we are pleased to provide the club with a helping hand," said Managing Director and CEO Brendan Gore.

Check out some of the adorable entries in the @PeetCommunities #peetpets competition, which included Movida's very own @kyba\_lupin\_tonks\_queenie! Congratulations to @redcloudrosie who was the lucky winner of \$500 worth of goodies from Petbarn.

# Summer of cricket ahead

We are pleased to be partnering with the Swan View Cricket Club as they plan for next season's summer of cricket.

With more than 150 current players, and many ex-players and their families still involved with the club, Movidia Estate is providing \$2,500 to support an inaugural Coach the Coaches program.

The Club also has a big contingent of Under 17 boys making the transition to senior cricket this year and early indications are that it may also be able to field its first women's team.

Sponsorship Manager Shaughan Dunne said the funding would help improve the coaching

capacity of coaches and senior players and allow for the purchase of basic equipment to utilise video technology in coaching.

"Our coaches are volunteers who work hard to ensure everyone feels fully accepted and supported to realise their full potential, both on and off the field. This program will help to ensure they can understand how to improve our game and support our young players."

The coaching workshops will be run by the Perth Cricket Academy ahead of the 2019-20 cricket season.
