# Open water swim

draws big crowd

**Hundreds of visitors descended on Shorehaven Beach last month for the ninth round of the Swimming WA Open Water Swim Series.**

Returning to Shorehaven for the fourth time in the event's 11 year history, race day presented challenging conditions for the 250 swimmers with a sizeable swell and strong current.

The action filled event resulted in great competitions in the water, with races of all distances, and categories – from under 15 boys and girls to Super Legends of open water swimming across 500m, 1.25km, 2.5km and 5km courses – fiercely competed.

There was plenty of fun had on the beach as well, with the swimmers, families and friends and spectators all enjoying the free beach volleyball, totem tennis and Swimming WA's inflatable obstacle course!

In the lead up to the event, Shorehaven also hosted free *Come and Try* swim clinics with renowned open water coach Ralph McManis. Ralph took novice swimmers through exercises that gave them a taste of the open water and tips to improve technique for open water swimming.

## Development update

Welcome to the first Shorehaven newsletter for 2019 – it's certainly been a busy few months, with plenty of activity around the community.

We were pleased to welcome the Swimming WA Open Water Swim Series back to Shorehaven last month, and I know many of you enjoyed the free clinics in January. The Shore Things team is now busy planning an exciting calendar of community events and we're certainly looking forward to the Seafood Festival this month.

Northshore Christian Grammar School has commenced Stage 2 which will deliver a new classroom block for science, arts and cooking, an administration building and undercover courts. This is all expected to be complete in time for the school to welcome its first cohort of high school students next year. Construction will also start soon on the Aegis aged care facility in Shorehaven Central.

Landscaping works along Keelson Way, Fallow Way and a portion of Shorehaven Boulevard were completed late last year, and, we are excited to have started work on the new playground at Waterfront Park.

If you'd like to get in touch or have any queries about development, please contact the Peet Community Information Line at [community@peet.com.au](mailto:community@peet.com.au) or on 1800 819 912.

## Marmion Avenue roadworks

The City of Wanneroo is making good progress on the upgrade of Marmion Avenue, which will see 11.5 kilometres of dual carriageway constructed from Brighton to Yanchep.

The project is being delivered in three stages, with work on a 1.2 kilometre section adjacent to Alkimos Vista currently underway. Construction of the balance of works from Shorehaven to Yanchep will follow, with the \$23 million project currently expected to be completed by January 2020. More information is available at the [City of Wanneroo website](#)

## George's culinary delights

Have you heard The Shore Café now has gelato!

George Bartell and his team at the Shore Café and Oceans 27 continue to impress with new and exciting menu options, weekly specials, regular entertainment and a line-up of great events.

Combined with the panoramic view of the Indian Ocean and watching the sunset over the iconic Alkimos shipwreck, it isn't surprising these venues have both become favourite haunts for Haveners and a drawcard for visitors to the community.

The Shore Café is open 9am to 3pm Wednesday to Friday and 8am to 3pm on weekends, with Oceans 27 serving breakfast, lunch, dinner and drinks every day of the week and staying open until late Friday to Sunday.
