Find your treasure at Shorehaven

Deck yourself out in your swashbuckling best pirate, mermaid or fairy gear and join us at Waterfront Park on Sunday 2 December for a fabulous free family fun day.

The latest Shore Things event will see the park transformed into a Mermaid and Fairy Lagoon and Pirate Cove for a nautical themed carnival set to take over the beach.

There will be plenty to entertain the whole family – with craft workshops, face painting, temporary tattoos, a discovery pool plus the opportunity to meet and have a photo taken with a 'real life' mermaid. The Main Sail Stage will feature a great line up of live music and performances throughout the day.

The inflatable games including the Cannonball Shoot are sure to be a hit with older kids, and for those who would rather flex their competitive muscle, there will be dress up relays, sack races, mermaid races, and tug-of-war.

There will also be two Pirate Treasure Digs on the beach, with lots of great prizes on offer – including three great getaways from RAC Parks & Resorts – RAC Monkey Mia Dolphin Resort, RAC Margaret River Nature Park and RAC Busselton Holiday Park.

Have you heard about the party at the park?

Residents east of Marmion Avenue joined together for a Park Party at Windlass Park on Sunday 25 November to enjoy drinks and nibbles as well as park games for the kids.

It was a great opportunity for neighbours to meet and to chat about how to build a friendly, fun and safe community.

The next Park Party is for all residents west of Marmion Avenue – your Park Party will be at Shipmaster Park on Sunday 9 December!

Feel free to bring a chair and even a plate to share, the drinks and nibbles are provided.

To RSVP contact Lynden or Grace on 9284 0910.

Development update

Welcome to the latest edition of the Shorehaven newsletter. As the weather warms up, so does the activity across our community.

A new phase of construction is also underway which will create new homesites to the west of Fallow Way as well as a new public open space and playground. As part of these works you'll also see some additional street landscaping occurring along Keelson Way, Fallow Way and a portion of Shorehaven Boulevard. Designs have been developed and submitted for approval for a new adventure playground at Waterfront Park. Keep your eyes peeled as construction is set to commence in early 2019!

You may also have noticed that after nine years, the Shorehaven entry statement and a number of other signs across the estate have been refreshed to improve the presentation of the estate.

Like many of you, we're eagerly anticipating the opening of the new Oceans 27 restaurant and are looking forward to sampling the delicious menu. George, Vinnie and the team have been busy planning.

We hope you join us for the summer of fun we have planned with our Shore Things calendar of events – from Treasures of Shorehaven to celebrating Christmas through to the Perth Scorchers Community Fan Day!

If you'd like to get in touch or have any queries about development, please contact the Peet Community Information Line at community@peet.com.au or on 1800 819 912.

Fun Family Day at Northshore

A host of local residents and Northshore Christian Grammar School families turned up to school on Sunday 21 October to enjoy all the fun of the Northshore Family Fun Festival.

The weather just held off, with overcast conditions threatening rain but never delivering! The cool weather was perfect for families to get active, enjoying go kart racing and the laser tag courses which were set up on the school's basketball court and oval respectively.

When not outside racing karts or battling with friends there was also plenty of fun to be had indoors with local musician Daniel Trupiano providing a great atmosphere for the kids' activities, and plenty to be bought at market stalls set up by Midpoint Church and Northshore Wanslea Daycare. Festival goers also enjoyed the wide variety of food options available from five different food trucks throughout the day.

The school's facilities were also on show with tours running throughout the day with many young families excited by what the future holds for their children at the school.
