

WA Community Grants Application Form

Peet's WA Community Grants Program provides eligible local community groups and clubs with funding to support their projects, activities and events, or seek assistance in purchasing essential equipment.

It's all part of a commitment to creating connected, liveable places built for today and future-proofed for tomorrow.

Before completing and submitting an application form, please be sure to read our WA Community Grants Guidelines. To enable approved grant funding to be provided in a timely manner, please be sure to **submit an application at least two months prior** to your project, activity or event being scheduled or in advance of when the equipment is required. Peet may also request that further information be provided by the applicant during the assessment process.
