It describes how the land is expected to be developed and how and where services are planned to support development. Peet has no involvement in decision making as to plans, specifications, timing or whether they proceed or not of the future wetlands, future widening of Dohertys and Leakes Roads, proposed town centre, proposed sports grounds, or the potential non-government school, and these will all be delivered by third parties. The Victorian Government has announced the 2026 delivery of the new West Tarneit Train Station situated within Newhaven. The government has confirmed that the new station will include a bus interchange, parking for up to 400 commuters and a pedestrian crossing. Peet has no involvement in decision making as to plans, specifications, timing or whether the train station proceeds or not, and it will be delivered by third parties.
