Welcome to your new haven

A haven is something you make. From the people you welcome and the moments you share, to the traditions you create or carry on.

At Newhaven in Tarneit, people have been making memories for ten years now. There are clever and collaborative classrooms at the local Wimba Primary School. Exciting playgrounds that see plenty of smiles after three o'clock. A modern new train station in the heart of the neighbourhood. And neighbours who already know each other's names.

There's plenty still ahead in this masterplanned community, with over 2000 homes planned at completion, an energetic town centre[2], native wetlands[2], sporting grounds[2] and two more parks.

Discover our community of tree-lined streets and friendly locals, ready to welcome you home.

Live something new. Make it your haven.

Peet: Building Melbourne's West

Did you know that Peet has already created eight communities in Melbourne's west? These include Kingsford and Innisfail in Point Cook, Brimbank Gardens in Derrimut, Cornerstone in Werribee and in Tarneit, The Rise, Tarneit Gardens, Little Green and Haven.

With such a long history of delivering high-quality communities, it's no wonder so many people have chosen to build their new life in a Peet community. And now with Newhaven, you can too!

At Peet, we create communities where people find their home, all across Australia.

We're industry experts in defining future places of belonging. Places that offer the value of choice, delivering different lifestyles in townhouses, apartments and family homes.

With each community, we add to an enduring legacy of creating connected, liveable places built for today and future proofed for tomorrow. Our extensive experience guides how we work with our communities to understand and respond to what they need, designing places that are both socially and environmentally sustainable.

Each Peet address becomes a meaningful part of someone's story. It's where houses turn into homes, where lives take shape in local routines and friendly faces; it's the special place in the world where you belong.

We do it by imagining how people actually live.

People like you. People like us.

Now, we're known for communities built to last. Built on the solid foundation of our ASX listing and 130 years of placemaking.
