“ I enjoy the Lakelands lifestyle and couldn't think of living elsewhere. It's a good place for families, with lots of open space, yet it's also close to great golf courses and fishing spots.
Jamie Walsh

The ambience of the estate really appeals to us. It's an attractive area with lots of open space and a strong sense of community. Importantly, Lakelands feels safe. We really love the way Lakelands is designed around public open space. There's a real sense of community but it's only minutes away from the beach and the conveniences of Mandurah.
Benjamin Gardiner

Mary and I are social people. We like to get to know our neighbours in Lakelands and it is certainly a friendly community.
