THE BOOGONG FRIGHTFUL FACES COMPETITION

Boogong's blood-soaked beauty competition returns for this year's event! Snap a selfie while wearing your most harrowing Halloween haberdashery or mangled monster makeup, and upload it to Facebook or Instagram, and remember to tag it #boogong2022

The pictures that extract the most tears (measured in millilitres) from a class of pre-schoolers will win some kind of prize!*

*Or maybe our marketing team will just pick the winners, because making pre-schoolers cry for a competition might upset some people. Including the kids, obviously.

Images must be tagged with **#boogong2022** to be in the running and shared via Facebook or Instagram by midnight on Saturday 29 October 2022. The Instagram/Facebook account must be publicly viewable so that the images can be seen by the judges. The scariest five faces will be judged on Wednesday 2 November 2022. Winners will be contacted via social media and announced on the Googong township Facebook and Instagram pages. In entering the competition, you give permission for images to be shared on the Googong township Facebook and Instagram pages. Prize packs to be collected from the Googong Sales Office.
