Googfest

2023

Googfest is returning in 2023 with the high-energy and infectious, roots-soaked blues rock of **Joe Camilleri and The Black Sorrows**.

One of Australia's most prolific and popular bands, they will be performing their biggest hits, including **'Chained To The Wheel'** and **'Harley & Rose'**.

The Black Sorrows will be supported by the soulful blues of *Chloe Kay and the Crusade*, the dance inspiring *Smooth Ops*, and the beautiful voices and rich harmonies of *The Faumuis*.

Bring your family and friends, enjoy a picnic and the food stalls. Get ready to enjoy an amazing evening of free live music! Plus a spectacular fireworks show to conclude the night.
