Googfest

**5-9PM SATURDAY 4 FEBRUARY
ROCKLEY OVAL, GOOGONG**

In this third big year for Googfest, the stars will once again be shining over Rockley Oval as Australian dance music legends Sneaky Sound System take to the stage.

Miss Connie and Black Angus will be dropping all of Sneaky's big hits, with dancefloor fillers like *I Love It*, *UFO* and *Pictures*. So don't miss your chance to see this ARIA award-winning act for free!

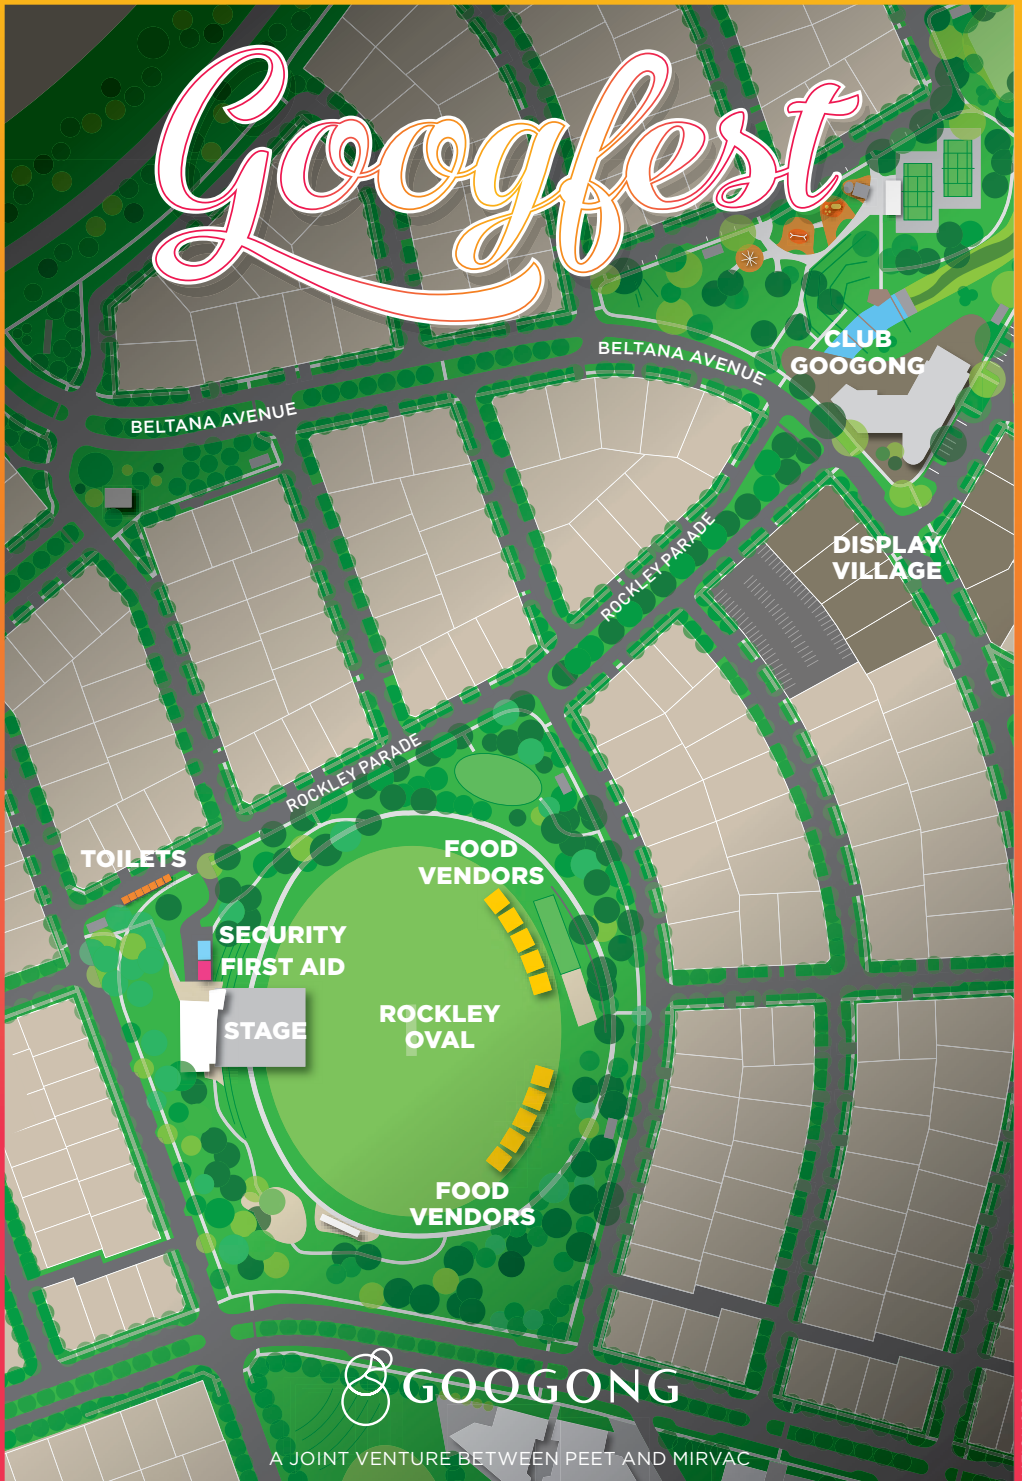

And as if you needed more convincing, also playing on the night will be **Lucy Sugarman, The Teen Jesus and the Jean Teasers** followed by **Slow Turismo** and **Young Monks**.

So bring the family, a picnic and rug, and settle in to enjoy an evening of free live music under the stars. You can also grab a tasty bite to eat from the range of food stalls available on the night.
