21. commence, carry out, erect, construct or alter any development on the lot without applicable plans and specifications (including finishes schedules) being first prepared and submitted to and approved by Peet and then only in compliance with any condition (consistent with any restrictions effecting the lot) imposed by Peet in respect of that approval.
22. fail to fit proper internal window furnishings to windows viewable from public areas within 3 months of occupancy and must not allow or erect sheets, blankets or similar materials for use as internal window furnishings for which window furnishing is not their primary use.
23. allow any plant or machinery or any recreation vehicle or commercial motor vehicle, (including without limitation a caravan, boat, box trailer, boat trailer, and car trailer but excluding motor cycle, motor car, motor station wagon or utility or four wheel drive car registered for use on a highway) to be left or parked on the street or on the lot between the building line and the front boundary or on the nature strip or footpath (unless left or parked on the designated driveway or where left or parked during the normal course of business by a visiting tradesperson).
24. erect, permit or allow to be erected or to remain erected on the lot any advertisement, hoarding, sign or similar structure and will not permit the lot or any building or buildings constructed thereon to be used for the display of any advertisement, sign or notice provided that this restriction shall not prevent the erection of a signboard that the lot is for sale and shall not prevent the display of the nameplate or light of any medical practitioner, dentist, legal practitioner or other such professional trade or business nameplate.
25. allow any building materials to be delivered or stored on the nature strip or anywhere else outside the title boundary of the lot upon which the dwelling house is being constructed and allow any rubbish to remain unsecured on the lot.

**The restriction specified in paragraph (21) shall cease to burden any lot on the plan of subdivision with effect from 30 June 2018.**

**The restrictions specified in paragraphs (1) to (25) (inclusive) other than paragraph (21) shall cease to burden any lot on the plan of subdivision with effect from 25 years from the date of registration of this plan of subdivision.**
