

Refresh

Authentic, fun connection for women

Refresh is a community group with a focus on building fun, authentic friendships with women in the Lakelands area.

It's not a mothers group, a seniors group or a youth group - just genuine women, listening with women, laughing with women.

Proudly supported by:

Check our monthly program, but no ongoing commitment is required. Drop Vanessa Cox, our Refresh Coordinator, an email refresh@1church.net.au to RSVP for catering.
