

Warm welcome for Wiluna Park

More than 60 residents turned up to celebrate the official opening of Wiluna Park, enjoying the special opening activities which included live music, giant 'Bubble Soccer', ice-creams and more.

Movida's first park features a shaded picnic area, soccer goals and a kickabout area, a brand new nature playground including a climbing tower, bridge, slide and swings, stepping stumps and boulders with red brick inlays as a nod to Midland's heritage, and it's already a hit with residents and residents-in-waiting.

"We haven't moved in yet, but the kids have already visited the playground a fair few times. They really love the slides and swings, so we knew the opening event would be great. It was a really nice time for all," said Amelia Hunter, a future resident who is now in the process of building her dream home at Movida Estate.

Located on Wiluna Street, Wiluna Park spans 4,900sqm and is the first of eight public open spaces planned for Movida Estate.

In the fun zone at Avon Descent

Heavy rainfalls leading up to the event didn't deter 6,000 excited spectators from attending the Avon Descent festival at Lilac Hill on Sunday 5 August.

The Movida Fun Zone was a major hit with families who had come to watch the race, with kids enjoying bouncy castles, climbing frames, bubble art performers, the Movida photo booth, and the giant Movida 'M' filled with 65kg of lollies – definitely catching the eyes of all ages!

Development update

Welcome to the latest edition of the Movida Estate newsletter. You will have noticed lots happening around the community since our last update – with the completion and opening of Wiluna Park and more and more people moving into their new homes.

It's also been a busy time on the event front! We were pleased to support two of the region's annual drawcards – the Avon Descent and Entwined in the Valley. Closer to home, we hope you all enjoyed the recent park opening, and are planning to join us for the upcoming Perth Scorchers Community Fan Day. We've also launched a slab party promotion, which you can read more about on page four.

It's also great to see further development across the region with the expansion of Midland Gate Shopping Centre expected to be complete early next year, offering new retailers, more car parks and a fresh food precinct.

We hope you enjoy the latest Movida news. If you have any questions or would like to suggest a story idea for the newsletter you can contact us via the Peet Community Information Line at community@peet.com.au or 1800 819 912.

Shhh... Movida Estate's Secret Supper

Movida Estate was pleased to sponsor Entwined in the Valley's hallmark Secret Supper on Saturday 6 October, with the location of the enchanting pop-up evening remaining secret until the day.

Guests were provided a picnic basket in advance, and tasked with filling it with an array of Swan Valley goodies before receiving an email in the afternoon telling them to head to Rainsworth Estate.

The evening started with a chance to sip champagne and mingle with other guests and human statue performers, before sitting down to enjoy their feasts while being entertained by live music, dancers and a finale of fireworks.

Between the City and the Country

We are proud to have worked with Stratton Community Association, the Year 5 class from Middle Swan Primary School, playground families from the Child and Parent Centre Swan, and a number of local individuals and families to publish a local history community storybook for Movida Estate.

With concept development and design by Nola Allen, the book – Between the City and the Country – captures personal stories of the local area both past and present.

It was made available at the recent Wiluna Park opening, and you can now view it at movidaestate.com.au/updates. You can also collect a copy from the Movida Estate Sales and Information Centre.

Are you looking to celebrate the start of construction on your new home at Movida Estate with a slab party? If so, you can take advantage of Movida Estate's Slab, Slab, Slab Party initiative – you provide the slab of concrete, and we'll provide a slab of sausages and a slab of soft drink (to the value of \$40) to help you celebrate with friends and family. To find out more or to take up this limited time only offer contact Zoya at Creating Communities on 9284 0910 or via email at Zoya@creatingcommunities.com.au!
